LAST CALL TO SPONSOR

### IN TIMES OF CRISIS, TRAINING MAKES THE DIFFERENCE

When a tragic mass shooting struck the University of Nevada, Las Vegas, amid the chaos, officers who trained at the Joint Emergency Training Institute (JETI) responded immediately. Their swift, decisive actions, honed through rigorous training, ensured they entered the danger zone without hesitation and used medical skills to save lives.

### WHY YOUR SUPPORT MATTERS

At the JETI, law enforcers and other first responders are equipped with the specialized skills they need to handle the threats they face on our streets.

**Advanced Officer Skills Training, Multi Assault Counter Terrorism Action Capabilities (MACTAC), Reality Based Training** and the soon-to-open **Indoor Tactical Training Village** cover everything from tactical response to emergency medical care, preparing our heroes for any situation.
