OUR MISSION

The Las Vegas Metropolitan Police Department (LVMPD) Foundation raises funds to support three strategic priorities of the LVMPD:

1 EQUIPMENT & TECHNOLOGY

Providing our officers with advanced tools like drones and modern equipment improves emergency response times, helps solve crimes more effectively, and greatly increases officer safety in dangerous scenarios, making their operations more effective and efficient.

2 OFFICER TRAINING

In times of crisis, training makes all the difference. When a tragic mass shooting happened at the University of Nevada, Las Vegas, officers trained at the Joint Emergency Training Institute (JETI) responded swiftly. Their decisive actions, honed through rigorous training, ensured they entered the danger zone without hesitation and used medical skills to save lives. At JETI, programs like Advanced Officer Skills Training, Multi Assault Counter Terrorism Action Capabilities (MACTAC), Reality Based Training, and the Tactical Training Village prepare our heroes comprehensively.

3 YOUTH & COMMUNITY PROGRAMS

Community engagement and youth programs are integral to our mission and that of the LVMPD. We proudly support the DREAM Program (Discover, Redirect, Empower, Advocate, and Mentorship), which provides mentorship to at-risk youth, empowering them to make positive life choices and build successful futures.

Our Vision

Our vision is for the greater Las Vegas area to be the safest community, served by the best-trained and equipped law enforcement agency, with thriving relationships between LVMPD officers and the neighborhoods they serve.
